Sponsor – A – Spay/Neuter

Many times it is easier for an adult cat or dog to be adopted if the pet is already spayed or neutered.

We try to have as many done as funds allow. Therefore the idea is to have people sponsor a pet for the surgery, which will assure the animal being adopted.

The cost is \$50 for a cat and \$70 for a dog. This includes a rabies vaccination, which is required before surgery.
